## GRO sponsors the WMOA Meeting

Parin Gohel, MD

Tara Golisch, MD

Grand Rapids Ophthalmology recently sponsored the West Michigan Optometric Association Meeting where Drs. Parin Gohel, retinal specialist, and Tara Golisch, glaucoma specialist, gave presentations on retinal disease testing and glaucoma, sharing a wealth of knowledge with their peers. The meeting, held at The Frederik Meijer Gardens, was very well attended by local West Michigan optometrists.

## New Location in Holland Coming Soon

Grand Rapids Ophthalmology is under construction with a new office in Holland, Michigan. Our address will remain the same — Lakeshore Medical Campus just east of 31 on Riley — but the office will move to the first floor just inside the main entrance. Completion is slated for fall 2016.

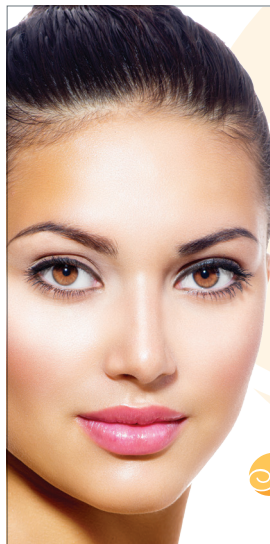

## New Frame Options

Our buying team was recently in New York to review the latest frame styles and lens technology. We are excited to announce the addition of new brands for summer: Fendi, Chloe, Etro, Lilly Pulitzer and Polaroid. Visit the Grand Rapids Ophthalmology location nearest you, where our knowledgeable team will help fit you with the latest frames to suit your needs.

## Skin Solutions Now at 7 Mile Location

Skin Solutions opened at the 7 Mile location in May, offering Botox® Cosmetic and Juvéderm™ wrinkle filler. We are excited to add this additional location, beyond our Walker office, to serve the needs and convenience of our patients. Please call 616.588.6550 to schedule your free consultation.

## Tim Durham Retires

Grand Rapids Ophthalmology wishes the best to Tim Durham, who recently retired after a very successful and professional career as one of the premier contact lens specialists in West Michigan. We will miss his positive and calm demeanor in our daily work lives.

*For contact lens care, you may schedule an appointment with any of our eighteen optometrists, who have extensive experience in contact lens fitting, in addition to your complete eye care health. Call to schedule an appointment.*
